"Knitting with this cashmere and silk blend feels so indulgent. And the patterns look like a designer brand. I can't believe it's so affordable."

Established in West Yorkshire in 1880, Sirdar is a British yarn company with a rich hand knitting heritage. Generations of families have grown up wearing Sirdar hand knitting yarns and designs.

Each season, we complement your favourite Sirdar classics with the latest yarn innovations and effects for fashionable knits. And we triple check every stylish Sirdar pattern to guarantee a successful knit with the recommended Sirdar yarn.

Sirdar Cashmere Merino Silk is a blend of pure silk, extra fine merino wool and the softest Himalayan cashmere, perfect for sophisticated womenswear. In a palette of grown-up, flattering shades inspired by the grandest of English estates, everything about this yarn whispers luxury.
