DOUBLE KNITTING

Established in West Yorkshire in 1880, Sirdar is a British yarn company with a rich hand knitting heritage. Generations of families have grown up wearing Sirdar hand knitting yarns and designs.

Sirdar Snuggly is the brand our customers trust to keep their little ones warm and comfortable. Every Sirdar Snuggly yarn has been rigorously tested so you know it will be kind to your baby's tender skin and remain soft and gentle, wash after wash.

Snuggly Replay is our newest yarn created especially for kids. In soft, marled shades, the comfortable cotton blend is lightweight, washable and perfect for everyday adventures. We've had huge fun describing our own favourite childhood outfits with our design team who have translated our nostalgia into a collection of cool knits for a new Snuggly generation.

*"Wow, these designs are so cool, my kids love them. The marled shades remind me of the favourite sweatshirt I wanted to wear every day when I was a kid."*

## TIPS & TECHNIQUES

### MAGIC RING DIAGRAM

A magic ring is made and worked into to prevent a hole being present in the middle of the work. By pulling the tail it tightens up the ring to create a centre with no hole.

Lay the tail end of yarn down across the left hand so the tail is pointing downwards. Take the working end of the yarn and wrap it around the thumb clockwise so that where the yarn crosses is facing you. Lay the working end down the back of the hand.

Take the hook and insert it under the tail end, grab the yarn and pull under the tail end to form a loop around the hook.

Yarn over with the working end of yarn and make 1 ch.

Keeping the ring in place slip the ring off the thumb and hold the hook and yarn as you would to work your crochet. Insert the hook into the ring and work as many dc's as needed into the ring. Whilst holding onto the work pull the tail gently to close up the ring. This will now count as your 1st round.
